

## **HOW TO LEAVE A LASTING GIFT to the Yellow-eyed Penguin Trust**

### **A gift in your Will can help future generations of threatened yellow-eyed penguins to thrive.**

Managing and/or purchasing penguin breeding habitat and controlling predators such as stoats and ferrets, research, advocacy, education, and promotion are some of our ongoing conservation tasks.

Saving the yellow-eyed penguin is a long-term task.  
Bequests will help secure its survival.

Anton Oliver, Patron to the Yellow-eyed Penguin Trust states "*Without the support we receive from committed people through legacies and other voluntary donations, we would not be able to provide our conservation programme to save the unique yellow-eyed penguin*"

#### Leaving a legacy

There are several ways you can remember the Yellow-eyed Penguin Trust in your Will to help generate income to support the Trust's many conservation programmes:

1. you may wish to leave a stated amount of money;
2. you may wish to leave a share (percentage) of your existing assets;
3. you may wish to leave a specific asset; or
4. you may wish to leave part or all of the residue of your estate.

#### What does this involve?

All this requires is a simple provision in your Will. Your solicitor or legal advisor will help you and can suggest the appropriate wording to ensure you achieve all you wish for your family and others. Please consider leaving your bequest for general purposes which will be used for our conservation programmes.

#### Suggested wording:

*"I give and bequeath to the Yellow-eyed Penguin Trust of New Zealand  
the sum of \$\_\_\_\_\_"*

OR

*\_\_\_\_\_ % of my estate"*

OR

*the residual of my Estate after all prior provisions have been met".*

OR

*The following property or assets:..... for the general purposes of the said  
Trust".*

Thank you again - you can be confident that your gift will make a difference and will always be remembered. Please let us know thus enabling us to thank you now, rather than your Executor later. Simply write to us or send an email.
