# Statement of Service Performance For the year ended 30 September 2016

#### Description of the Entity's Outcomes:

Yellow-eyed penguins were monitoried throughout their breeding season. Predator control was undertaken on Trust owned reserves and neighbouring land. Native trees and shrubs were planted in coastal areas to regenerate our coastal forests.

Description and Quantification of the Entity's Outputs:	2016
Hectares of land managed	362ha
Hectares of land under pest management	350ha
Number of native trees & shrubs propagated	5,000
Number of volunteer hours for the year	1,659
Number of other areas where the Trust undertakes coastal conservation work	34
Threatened species under active management to ensure local security	1
Number of penguins monitored on Trust owned or managed sites	37
Number of chicks fledged	49

#### **Additional Information:**

Yellow-eyed penguin numbers were considerably lower than expected in this season due to the culmination of several major events that affected their survival. Historically the number of nests ranged from 75 to 120.

# Statement of Accounting Policies For the year ended 30 September 2016

#### **Basis of Preparation**

Yellow-Eyed Penguin Trust ("the Trust") has elected to apply PBE SFR-A (NFP) Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit) on the basis that it does not have public accountability and has total annual expenses of equal to or less than \$2,000,000. All transactions in the Performance Report are reported using the accrual basis of accounting. The Performance Report is prepared under the assumption that the entity will continue to operate in the foreseeable future.

#### Goods and Services Tax (GST)

The Trust is registered for GST and all amounts are recorded exclusive of GST, except for Debtors and Creditors which are stated inclusive of GST.

#### Income Tax

Yellow-Eyed Penguin Trust is wholly exempt from New Zealand income tax having fully complied with all statutory conditions for these exemptions.

#### Bank Accounts and Cash

Bank accounts and cash in the Statement of Cash Flows comprise cash balances and bank balances (including short term deposits) with original maturities of 90 days or less.

#### Property, Plant and Equipment

Improvements by way of fencing and water supply are capitalised. The Trust's nursery is on leased ground. The Okia property is owned in conjunction with the Dunedin City Council (DCC). The Long Point Property is owned in conjunction with the Department of Conservation.

Property, plant and equipment are stated at cost less aggregate depreciation. Depreciation has been charged on a straight line method based on the expectancy of each asset, as follows:

General Plant & Machinery 5 Years
Office Equipment & Furniture 10 Years
Computer Equipment 5 Years
Buildings 25 Years
Vehicles 5 Years

#### Revenue

Revenue is recognised to the extent that it is probable that the economic benefit will flow to the trust and revenue can be reliably measured. Revenue is measured at the fair value of the consideration received.

#### Investments

Investments have been stated at cost price.

#### Debtors

Debtors have been stated at net realisable value.

#### Changes in Accounting Policies

On 1 October 2015 the Trust transitioned from the preparation of financial statements prepared in accordance with old generally accepted accounting practice with differential reporting exemptions to general purpose financial reporting in accordance with Public Benefit Entity Simple Format Reporting-Accrual (Not-For-Profit): PBE Tier 3 SFR-A (NFP) in accordance with the External Reporting Board guidelines.

In so doing the Trust changed from carrying land and buildings at valuation to historical cost less depreciation and impairment adjustments. This change resulted in the revaluation reserve balance at 31 March 2015 (\$238,410) being reversed against Accumulated Funds in the current period. Other than this, the transition had minimal impact on the accounting policies of the Trust.

All other accounting policies were applied on a consistent basis during the year.

We have audited the accompanying performance report of Yellow-Eyed Penguin Trust on pages 2 to 13, which comprises the entity information, statement of service performance, the statement of financial performance and statement of cash flows for the year ended 30 September 2016, the statement of financial position as at 30 September 2016, and the statement of significant accounting policies and other explanatory information.

The Responsibility of the Trustees for the Performance Report

The Trustees are responsible on behalf of the entity for:

- (a) Identifying outcomes and outputs, and quantifying the outputs to the extent practicable, that are relevant, reliable, comparable and understandable, to report in the statement of service performance;
- (b) the preparation and fair presentation of the performance report which comprises:
  - the entity information:
  - the statement of service performance; and
  - the statement of financial performance, statement of financial position, statement of cash flows, statement of accounting policies and notes to the performance report

in accordance with Public Benefit Entity Simple Format Reporting – Accrual (Not-For-Profit) issued in New Zealand by the New Zealand Accounting Standards Board, and

(c) for such internal control as the Trustees determine is necessary to enable the preparation of the performance report that is free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the performance report based on our audit. We conducted our audit of the statement of financial performance, statement of financial position, statement of cash flows, statement of accounting policies and notes to the performance report in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)), and the audit of the entity information in accordance with the International Standard on Assurance Engagements (New Zealand) ISAE (NZ) 3000 (Revised). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the performance report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the performance report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial performance report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the performance report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the performance report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other than in our capacity as auditor we have no relationship with, or interests in, the Trust.

Opinion

In our opinion the performance report on pages 2 to 13 presents fairly, in all material respects;

- the entity information for the year then ended; and
- the financial position of the Yellow-Eyed Penguin Trust as at 30 September 2016 and its financial performance, and cash flows for the year then ended

in accordance with Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit).

Other Matter

We are not responsible for expressing an opinion on the statement of service performance.
